## From the GSV President

**Mission** To provide girls with access and opportunity to participate, connect and achieve in a range of sports.

### Guiding Principles

- The promotion of girls sport
- Enhanced opportunities for participation in elite, competitive and recreational sport and physical activity
- Accessibility to a diverse range of programs
- The fostering of individual talents, team spirit and commitment
- The pursuit of excellence
- A commitment to the highest standard of ethical behaviour
- A commitment to the promotion of health and well-being of all girls.

The GSV community is widely recognised for providing both a rich and diverse sporting competition and skills programs for girls. There is an opportunity for girls to grow, excel and enjoy sporting activity. Once again this year we have seen so many of our girls involve themselves in the wide range of opportunities including weekly sport, Skills Program, Carnivals, Tournaments, Year 7 Sports Expo and the Interstate Challenge. New passions and talents have been discovered; confidence, endeavour, grit, persistence and commitment highlighted; connections made; and personal and team goals achieved. Most importantly, we have seen our girls actively engaged in physical activity and enjoying the collegiality that exists within and across our schools. This strong sense of connection is central to the philosophy of GSV.

Our rich program of events would not be possible without the generosity of spirit and support given by our Directors of Sport, Teachers, sports coaches and specialist staff. We also acknowledge the outstanding leadership of the GSV staff and their commitment to providing a diverse and engaging range of opportunities for our girls. We recognise the continued support our girls and schools receive from parents and family. Our sincere thanks to each of you for your part in ensuring the continued success of GSV.

I hope you enjoy this publication as a memento of 2018. We look forward to another fulfilling year for our community in 2019.

Ms Linda Douglas - President, Girls Sport Victoria

## From the Head of Sport

At Strathcona we want to encourage sport and physical activity to be a part of every young woman's life. We want to foster an environment that allows the girls to flourish and inspires and encourages them to find something they enjoy. We want them to be savvy! Build their self-esteem, allow them to make mistakes and take positive risks so they can overcome adversity, develop resilience and can cope with disappointment to face future life challenges. There's a sport or activity out there for everyone. It's not about being the best or winning, it's about giving it a go, being with and making new friends, achieving personal and team goals. It's about the lessons you learn, having fun along the way and enjoying being a part of a supportive and inclusive community.

Every time we kick, throw or shoot a ball, run, jump, swim or ride we are not only demonstrating physical strength but also leadership, grit and determination. I recently attended a Women in Sport Summit hosted by some fantastic female role models who are paving the way for women and girls to have a career in sport. Nicole Livingston (Head of Women's Football at the AFL) and Bridie O'Donnell who is the officer for Women In Sport explained that 96% of CEO's globally have played competitive sport. Sport is an important part of School life and having such a broad and diverse program fosters discipline in our girls that will assist them greatly in achieving success in their future endeavours.

This year we have enjoyed many successes, qualifying in the prestigious Division 1 competition for Diving and Cross Country, winning the Division 3 Swimming carnival and Senior division trophy. Competing in several Diving, Swimming and Track and Field finals events with many girls winning medals. We have celebrated a Junior Hockey premiership, numerous weekly sport semi-finals and finals appearances and zone winner pennants in various sports including: Tennis, Netball, Water Polo, Hockey, Soccer, Volleyball, and Basketball.

Our greatest focus and also our greatest achievement is the high number of girls involved in the co-curricular Sport Program at Strathcona. The GSV program has allowed our girls to participate in Weekly and Carnival sport, Skills Programs, Tournaments, Sport Expos and Representative Team Programs. This year, we entered 72 teams in GSV co-curricular sporting competitions spanning nineteen different sports, underpinning our aim to provide as many girls as possible with a school sporting experience.

# GSV Representative Sport

Cross Country, Netball, Soccer, Swimming, Tennis, Volleyball, Water Polo

Girls Sport Victoria provides opportunities for our most talented athletes to represent GSV and compete against other Victorian and Interstate school sporting associations. Representative opportunities currently exist for Year 9 -12 students in Cross Country, Netball, Soccer, Swimming, Tennis, Volleyball and Water Polo.

# GSV Events and Programs

Basketball Tournament, Fencing Skills Program, Golf Event, Sport Leaders' Breakfast, Soccer '5-A-Side' Tournament, Track Cycling Skills Program, Triathlon Event, and Year 7 Expo

Girls Sport Victoria recognises that skill development is an inherent part of schools' PE and sport programs. GSV develops programs to supplement their existing programs. Our Year 7 Sports Expo coincides with Health and Physical Education Week and is one of the most fun filled events on the GSV calendar. Girls learn skills in a wide variety of sports from GSV core sports to others including Lacrosse and Wheelchair Sport. GSV also conducts other skill development clinics and competitive events throughout the year in sports such as Fencing, Golf, Track Cycling, Triathlon as well as the Sport Leaders' Breakfast.
