Being a carer: It will change your life!

Being a carer is one of the most rewarding things you can do.

Yooralla Family Options is a state-wide program that provides family-based care to children and adults with disability.

Becoming a carer

You need time and determination to be a carer and previous experience is not required.

Prospective carers:
• can be single or have a partner, with or without children
• can be studying, working or retired
• will receive specific training
• will be provided with 24 hour on-call support and a tax free reimbursement.

All carers are carefully screened, trained and assessed before accreditation.

To discuss caring opportunities, contact Family Options on 03 9831 5600 or at familyoptions@yooralla.com.au
