GIRLS GRAMMAR

Centenary Scholarship

Embark on a journey of excellence and care

After celebrating our Centenary in 2024 Strathcona Girls Grammar, due to the generosity of donors, can offer a Scholarship to the value of up to 100% tuition to a student who would not normally be able to afford a Strathcona education.

At Strathcona our legacy is one of inclusion, generosity, empowerment, compassion and transformative education and opportunities. We believe that every brave and curious mind deserves a chance to be intentionally nurtured, regardless of financial background or circumstances.

The Centenary Scholarship is open for applications.

To apply for the Centenary Scholarship, candidates must first complete and submit this form, as well as supply copies of the following documents to our Registrar (via email or post) with your application:

- The Strathcona Centenary Scholarship is means-tested and at the time of applying a family must provide copies of two most recent ATO tax statements
- A letter outlining the student's circumstances
- Students are invited to showcase demonstrate their skills, experiences and interests in learning, leadership, community involvement, sport, and culture in a 10 page portfolio

Applications may be submitted at any time.

Applications should be emailed or hardcopies may be sent to the School marked Admissions.

All scholarship applications and supporting documents must be forwarded to the attention of:

Mrs Julie Drew, Registrar

Strathcona Girls Grammar

34 Scott Street Canterbury VIC 3126
