Source of Obligation

Standard 5.3.3 of the National Code requires the School to take responsibility under the Migration Regulations 1994 (Cth) for approving the accommodation, support and general welfare arrangements for an overseas student who is under 18 years of age.

The School must have and implement documented processes for verifying that the student's accommodation is appropriate for the student's age and needs:

- prior to the accommodation being approved; and
- at least every six months thereafter.

The VRQA Guidelines for the Enrolment of Overseas Students Aged Under 18 Years requires that before:

- entering an agreement or arrangement for the provision of homestay accommodation to an overseas student, or
- issuing a CAAW letter to the Department of Home Affairs in circumstances where homestay accommodation will be provided to an overseas student,
- the School must be satisfied, after making all reasonable enquiries, that the student will be at least 13 years of age at the time of commencing the homestay accommodation.

This Guideline does not apply during the period the overseas student is or will be living:

- in a boarding facility for students which is part of or owned by a registered school
- with a parent or close family relative (aunt, uncle, grandparent or sibling aged over 21 years of age approved as suitable by the Department of Home Affairs) as part of the student's visa approval
- during any period or circumstances exempted by the CEO VRQA.

VRQA Guidelines on Homestay Accommodation for Overseas Students

The requirements outlined in this Policy comply with the VRQA Guidelines for the Enrolment of Overseas Students Aged Under 18 Years that include guidelines relating to the “Minimum age of 13 for enrolment of an overseas student in homestay accommodation” and “Student accommodation minimum standards”.

Strathcona's Policy

It is the School’s policy to assess younger overseas students’ accommodation arrangements through:

- physical site visits
- student interviews

Approval of Accommodation

A younger overseas student’s accommodation must be approved by the School prior to the student residing at the accommodation.

The student’s accommodation must be:

- suitable to reside in
- a safe, supportive and welcoming environment
- kept clean and tidy
- able to access a shared bathroom or private bathroom
- able to access a form of heating in the winter and a form of cooling in summer
- secure with locks on bedroom and bathroom doors
- child safe with all adult residents holding a valid WWCC card
- appropriately insured

For homestay accommodation to be approved as suitable accommodation for our younger overseas students to reside in, the School completes the **Overseas Student Welfare and Accommodation Assessment Form**.

It is the School's policy that to be eligible for a homestay arrangement, the overseas student must be at least 13 years of age at the time of commencing the homestay accommodation.

The School conducts a site visit to inspect the premises where an overseas student is residing prior to the student's placement, and at least every six months, to verify that it is appropriate for the overseas student's age and needs. This process also includes consultation with the student about their experience in the accommodation to date.

Homestay Requirements

For homestays to be approved by the School, the homestay must:

- sign a written agreement with the School
- have a safe, secure, private bedroom for the student's sole use that is appropriate to the age and needs of the student with suitable storage space for clothes, personal effects and study materials, and suitable facilities including a desk, a chair and adequate lighting for study purposes
- be clean and have appropriate furnishings suitable for a family and students
- include access to a shared or private bathroom, with reasonable time allowed for showers
- include access to kitchen, living areas, laundry facilities and shared areas of the home

- conduct assessments of the homestay with access to all areas of the homestay premises for the purposes of checking compliance with the homestay standards required by the School
- ensure that each Host Family has appropriate insurance policy cover for students residing in their home
- ensure that there is regular training for each Host Family

Host Family Requirements

The School requires each Host Family to agree to a number of requirements prior to hosting a younger overseas student. A Host Family is required to:

- provide a safe and welcoming homestay family environment that will encourage students to experience life as a member of the family and, where suitable, include students in family-related activities

This should include household protocols and safety rules about access and the use of shared areas or facilities such as swimming pools, internet, telephone, mealtimes, visitors and appropriate times to return home during the week and on weekends

Host Family to Notify the School

A Host Family must notify the School at least two weeks in advance, or as soon as practicable, of any change of circumstances, including:

- if the Host Family proposes to materially change the homestay residence in a way that will affect their ability to meet the homestay residence requirements
- if the Host Family is temporarily unable to provide accommodation or suitable supervision for periods of holidays or other periods
- if the Host Family intends to change address or contact details
- if the student fails to reside in their approved address at all times or intends to move.

If an Overseas Student Turns 18

If an overseas student turns 18 while enrolled at the School, the School's Confirmation of Appropriate Accommodation and Welfare (CAAW) responsibility will cease.

Additionally, the requirements under Standard 5 of the National Code and this policy will no longer apply.

If an overseas student turns 18 while enrolled in the final period of their course, the School may decide to apply a condition on their enrolment in the course, requiring the overseas student to continue to reside in the approved accommodation until the completion of the course. This will be made clear in an amended and signed written agreement or enrolment contract.

Record Keeping

The School maintains evidence of compliance with this policy by maintaining records of activities undertaken by the School in accordance with this policy, any written agreements entered into by the School and copies of all CAAW letters. Records will be maintained in accordance with our **Overseas Students Records Management and Retention Policy**.
